

BW RUSTOP P-325S

Oil based anti rust oil

Description **BW RUSTOP P-325S is water insoluble anti-corrosion oil for short and mid term indoor storage with oily film**

Benefits

1. It has good anti corrosion performance with oil film
2. It has good water displace performance
3. It can be removed by mineral solvent and alkaline cleaning oil
4. It has low viscosity and easy to use

Properties	Contents	Results	Method
	Appearance	Yellow, clear	Looking
	Specific gravity, 15/4 °C	0.8	KS M 2002
	Kinematic viscosity, 40 °C, cSt	1.6	KS M 2014
	Flash point, TAG, °C	45	KS M 2010
	Salt spray test, hrs	36, A	KS M 2109
	Humidity cabinet test, hrs	480, A	KS M 2109

* Above test results are new fluid's typical properties, can be changed by quality improvement.

Application Material : iron and steel stuff
Method : dipping, spray, brushing

Term of validity a year with sealing up and indoor storage between 0~40 °C

Safety Refer to the our MSDS for safety information

Caution

1. Please be careful about penetration of moisture while opening product.
2. The protection performance can be less caused by clearness, application, storage field, storage method of coated metal.
