

BW RUSTOP P-340N

Oil based anti rust oil

Description BW RUSTOP P-340N is water insoluble anti-corrosion oil for short term indoor storage with oily thin film.

Benefits

1. It has good cleaning performance at leveling process.
2. It has good anti seepage performance at automatic hemming parts.
3. It has good water displace performance.
4. It can be removed by mineral solvent and alkaline cleaning oil.

Properties	Contents	Results	Method
	Appearance	Yellowish brown, clear	Looking
	Specific gravity, 15/4 °C	0.809	KS M 2002
	Kinematic viscosity, 40 °C, cSt	2.9	KS M 2014
	Flash point, COC, °C	103	KS M 2010
	Salt spray test, hrs	8, A	KS M 2109
	Humidity cabinet test, hrs	120, A	KS M 2109

* Above test results are new fluid's typical properties, can be changed by quality improvement.

Application Material : iron and steel stuff, cleaning for levelling line
Method : dipping, spray, brushing

Term of validity A year with sealing up and indoor storage between 0~40 °C

Safety Refer to the our MSDS for safety information

Caution

1. Please be careful about penetration of moisture while opening product.
2. The protection performance can be less caused by clearness, application, storage field, storage method of coated metal.
