

Super II™

ENERGY EFFICIENT, FULL-RATED,
HIGH-PERFORMANCE PUMP SERIES

Performance of
a lifetime.

Power your system with the energy efficient, full-rated Super II pump series from Hayward®. These efficient, high performance pumps are built to last and engineered to perform even under the most demanding conditions.

Convenient features include a see-through cover so pool owners know exactly when to empty the extra-large debris basket. Performance features include full-flow hydraulics that allow greater flow at a lower cost of operation and a housing design that makes it as quiet as it is dependable.
