Slimline Plus White Range

Affordable

Robust

Stylish

Ease of
Installation

12 yrs · product warranty ·

For over 55 years, MK Electric has been a household name throughout the Asia Pacific region, trusted and respected, whilst offering high quality, safe and reliable wiring accessories.
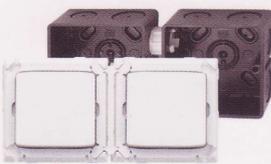

The launch of the all new MK Slimline Plus range sees MK Electric continue with its core traditions of providing high quality, safe and reliable wiring accessories, with a focus on style and flexibility which will compliment any interior.

At MK Electric we continually strive to design products which suit the needs of specifiers and users, whilst considering the practical demands of installers.

The new MK Slimline Plus range offers a wide range of accessories, which are unobtrusive and practical. Manufactured using Polycarbonate, MK Slimline Plus comes with a high gloss finish that is both tough and durable. Quick and easy installation is a given, and multi-fixing points allow for angular movement that will easily accommodate improperly installed back boxes.

Installing MK Slimline Plus will also give you and your customers total peace of mind, with MK's unrivalled 12 year product warranty.

Housing of multiple switches and sockets

| STAGE 1	STAGE 2	STAGE 3	STAGE 4
Link the required number of black boxes together with a coupler(s)	Unclip the existing front plates on sockets/switches and connect them together with shoulder coupler	Fix the linked sockets/switches onto the connected boxes	Once boxes are mounted into wall, clip the appropriate landscape surround onto product to complete installation
