

## Petrol/Oil Suction & Delivery Hose

|                      |                 |
|----------------------|-----------------|
| Part Number          | A430080         |
| Intended Service     | Petroleum       |
| Color                | Black           |
| ID                   | 76mm            |
| OD                   | 89mm            |
| Length               | 20mtr, 60mtr    |
| Unit Weight          | 3.85 kg/mtr     |
| Working Pressure     | 1 MPa (145 PSI) |
| Burst Pressure       | 435 PSI         |
| Vacuum Rating        | 9 M/h20         |
| Temperature Range    | -20°C to 70°C   |
| Bend Radius          | 360mm           |
| Optional Pkg/Box Qty | 1               |
| Weight Lb            | 132.0000        |

### [+] Product Details

#### Applications

- Specially designed for use on hydraulic systems such as oil return hose; can also be used for suction and discharge of various petroleum products with maximum 30% aromatic content. Used for wet exhaust applications.

#### Note

- Minimum cut length of 5 mtrs, charges apply for cutting hose.
- Complete hose data specification sheets are available upon request.

#### Construction

- Tube: Black, nitrile
- Cover: Black, smooth (wrapped finish), synthetic rubber, abrasion, weather and oil
