

## CP2828 - Industrial & Slim

### Benefits

- ▶ Good for assembly lines
- ▶ Very good to hold
- ▶ Robust and durable

### Features

- ▶ Small diameter - good grip
- ▶ High speed
- ▶ Low noise and vibration level

### Technical description

|                            |                      |        |
|----------------------------|----------------------|--------|
| Part number                | 6151630040           |        |
| Model                      | CP2828               |        |
| Output drive               | 1/4"                 |        |
| Handle type                | Straight             |        |
| Clutch type                | Cushion              |        |
| Free speed                 | 1300 rpm             |        |
| Max working torque         | 2.4 ft.lbs           | 3.2 Nm |
| Min working torque         | 1.3 ft.lbs           | 1.8 Nm |
| Net weight                 | 1.3 lb               | 0.6 kg |
| Length                     | 7.5"                 | 190 mm |
| Diameter                   | 1.42"                | 36 mm  |
| Min. hose size             | 3/8"                 | 10 mm  |
| Noise level                | 73 db(A)             |        |
| Sound Power                | 84 db(A)             |        |
| Vibration α (ISO-28927-2)  | 0.3 m/s <sup>2</sup> |        |
| Vibration K (ISO-28927-2)  | 0.8 m/s <sup>2</sup> |        |
| Free speed air consumption | 14.8 cfm             |        |
| Air inlet thread size      | 0.25 "               |        |
