

**Regulators, Pressure Boosting Valves_Regulator With Built-In Pressure Gauge
ARG20/30/40**

Part Number **ARG20-01BG1**

20210826100116

Regulator, Pressure Boosting Valve	Regulator	Regulator Type	Standard
Applicable Fluid	Air	Shape	Standard
Operating Environment	Standard	Exhaust Mechanism	[Provided] Relief
Adverse Current Function	No	Supply Side, Connection Type	Rc
Supply Side, Connection Dia.	1/8	Flow Direction	[[Right]] From Left to Right
Control Side, Connection Type	Rc	Control Side, Connection Dia.	1/8
Pressure Gauge	[With Pressure Gauge] Pressure Gauge Built-in	Size of Body	20
Accessory	With bracket (set nuts included)	Set Pressure	0.05 to 0.85 MPa
Pressure Unit	Nameplate and pressure gauge units: MPa	Custom-made Specifications	None
Built-in Pressure Gauge Mounting Angle	0°	-	-
