Profil

Profile

CV. Lohdjinawi didirikan di Mojokerto pada tahun 2018. Perusahaan kami bergerak di bidang jasa Transpotasi darat dan perdagangan batubara (*Coal Trading*) dengan berbagai macam spesifikasi yang dibutuhkan oleh industri terkait yang menggunakan batubara sebagai bahan bakar dalam proses industrinya. Sejak awal berdiri kami dengan professional telah berkomitmen untuk memberikan kualitas pelayanan terbaik kepada industri yang bersangkutan dan hingga saat ini kami telah berhasil melakukan perdagangan batubara ke beberapa perusahaan ternama di Indonesia.

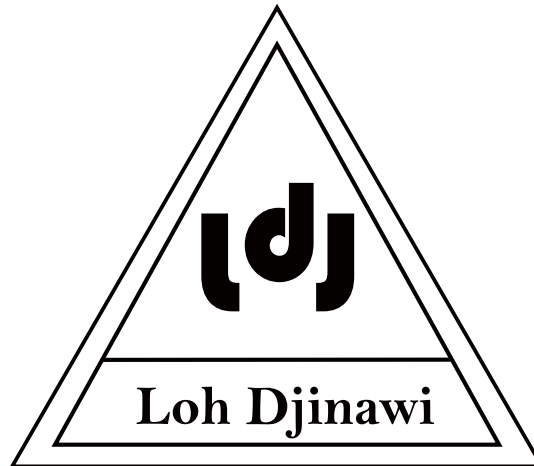

Dengan bermacam spesifikasi produk batubara yang kami tawarkan, serta didukung oleh beberapa pekerja kami yang ahli maka kami siap untuk memberikan anda pelayanan terbaik untuk memberikan suplai batubara sesuai kebutuhan anda beserta jasa transpotasinya dengan harga yang kompetitif.

Batubara merupakan sumber daya alam yang sangat berguna bagi kepentingan energi di dunia, untuk itu mari memanfaatkan kekayaan alam ini dengan sebaik-baiknya untuk kesejahteraan kita semua dengan menggabungkan aspek komersial dan aspek sosial demi kelangsungan usaha dan perusahaan dalam jangka Panjang.

CV. Lohdjinawi was established in Mojokerto in 2018. Our company is engaged in the service of land transportation and coal trading with a variety of specifications needed by related industries that use coal as fuel in the industrial process. Since its inception we have been professionally committed to providing the best quality of service to the industry concerned and to date we have succeeded in trading coal to several well-known companies in Indonesia.

With various specifications of coal products that we offer, and supported by some of our skilled workers, we are ready to provide you the best service to provide coal supply according to your needs along with its transportation services at competitive prices.

Coal is a natural resource that is very useful for the interests of energy in the world, so let's use this natural wealth as well as possible for the welfare of all of us by combining commercial aspects and social aspects for the long-term sustainability of businesses and companies.
