

CERTIFICATE OF ANALYSIS

**FERROUS SULPHATE
HEPTAHYDRATE
(LOKAL)**

Chemical Formula

- **FeSO₄, 7H₂O** : **99 %**
- **Fe** : **>18 %**
- **Arsenic** : **Undetectable**
- **Base Sulphate Compound** : **Undetectable**
- **Free Acid ml NaOH 0.1 N / g** : **0.18 %**
- **Heavy Metal: Pb, ppm** : **< 5 ppm**
- **Cu, ppm** : **< 5 ppm**
- **Appearance** : **Powder, Greenish**
- **Solubility** : **Soluble in Water**

Insoluble in Ethanol

Intended For Use in the Following Applications:

- For use as feedstock micro ingredient (Animal Feed)
- Treatment of Industrial Wastewater
- Treatment of Mine Tailing
- Treatment of domestic and industrial effluents
- For fertilizer and other horticultural applications
- For Chromium reduction in cement manufacturing industrial

PACKING

The material is packed in 50 Kgs PP Woven Bag

Origin

Indonesia
