

KX-CDSD-H10/H15/H20

Electric Stacker

- The stacker has a reasonable design and compact structure goodlooking and practical.
- It adopts quality hydraulic pump station, strong power, match large capacity of traction battery, durable in use.
- C type forming steel door frame which is made of high quality carbon steel is biggest security.
- Outer metal surface take paint treatment the cover is made through plastic injection, durable.

Main technical data
