=== PLATE COMPACTOR (STAMPER KODOK) ===

Vibratory Plate 15 kN
MP 15
Item Number: 0050131

These plates prove that performance is valuable

These powerful vibration vibrating plates offer maximum performance at a low cost price. The compact design allows for maximum ground work. It has maximum of capacity in push or pull, or even rotation. The plate is also available for high speed or long working hours and less damage for the operator.

ADDITIONAL ADVANTAGES:

- Proven design and technology from the world's leading brand Wacker Neuson.
- These plates are especially suited for a variety of construction applications thanks to their high speed and complete maneuverability.
- Specially designed motor housing reduces vibration and are suitable for hot climate applications.
- Ergonomically designed lifting handle make loading and unloading from transport vehicles easier for the operator.
- A rugged wear-resistant on-board control panel is built to higher operation control and improved productivity during any tough work.
