

**Hydraulic cutting head**

1. Cut copper flat wire of transformer
2. Closed blade design for smoother cutting
3. C-type opening for easy access to the fitting
4. The exact cutting capacity depends on the type of cable or rope

Cutters

● P-40  
Hydraulic cutting head

Model	P-40
Output Force	6T
Rated Pressure	700bar
Cutting Capacity	Max.Ø40mm flat copper wire
Weight	3kg
Packing	Canvas Bag

● P-30C  
Hydraulic cutting head

Model	P-30C
Output Force	4.5T
Rated Pressure	700bar
Cutting Capacity	Max.300mm <sup>2</sup> single core cable Max.240mm <sup>2</sup> ACSR
Weight	3kg
Packing	Canvas Bag

**Hydraulic cutting head Features:**

1. Flip top style for easy access to the fitting
2. Interlocking closed cutting head (PC-50)/ Plug pin style (PC-45, PC-55)
3. Powered by single acting hydraulic pump
4. The exact cutting capacity depends on the type of cable or rope

● P-45  
Hydraulic cutting head

Model	P-45
Output Force	6t
Rated Pressure	700bar
Cutting Capacity	Max.: Ø45mm Cu/Al/ACSR Max.: Ø20mm steel bar
Weight	3.8kg
Packing	Canvas Bag

● P-50  
Hydraulic cutting head

Model	P-50
Output Force	6t
Rated Pressure	700bar
Cutting Capacity	Max.: Ø50mm Cu/Al
Weight	2.3kg
Packing	Canvas Bag

● P-55  
Hydraulic cutting head

Model	P-55
Output Force	12t
Rated Pressure	700bar
Cutting Capacity	Max.: Ø55mm Cu/Al/ACSR Max.: Ø22mm steel bar
Weight	4.5kg
Packing	Canvas Bag

**Hydraulic cutting head Features:**

1. With handle for easier operation
2. Powered by single acting hydraulic pump
3. For cutting copper and aluminum cables with light weight steel armored (depending on cable type)

Cutters

● P-85  
Hydraulic cutting head

Model	P-85
Output Force	6t
Rated Pressure	700bar
Cutting Capacity	Max.: Ø85mm Cu/Al Max.: 3x185 mm <sup>2</sup> armored cable
Weight	4.8kg
Packing	Canvas Bag

● P-105  
Hydraulic cutting head

Model	P-105
Output Force	12t
Rated Pressure	700bar
Cutting Capacity	Max.: Ø105mm Cu/Al Max.: 3x300mm <sup>2</sup> armored cable
Weight	10kg
Packing	Plastic Case

● P-120  
Hydraulic cutting head

1. Cut armored Cu/Al cable
2. Flip top cutting head for easy access to the cable

Model	P-120
Output Force	10t
Rated Pressure	700bar
Cutting Capacity	Max.: Ø120mm armored Cu/Al
Weight	11kg
Packing	Plastic Case

● P-120C  
Hydraulic cutting head

1. Cut large diameter Cu/Al cable or armored cable

Model	P-120C
Output Force	12T
Rated Pressure	700bar
Cutting Capacity	Max. Ø120mm armored Cu/Al
Weight	12kg
Packing	Steel Case
