

FEATURES:

- Punching the different kinds of metal sheet up to 10mm.
- It can match hand pump CP-700 or electric pump
- High-strength return spring for rapid cylinder retraction.
- High-hardness of material for punching die, easier for operation.
- Half-opened casting body, widely used in different areas.

Item No: CH-60

Max thickness of sheet	10mm
Punching force	300KN
Stroke:	25mm
Depth of throat	70mm
Height	approx.350mm
Weight	approx.16.9kg
ACCESSORIES:	3/8"(φ 10.5),1/2"(φ 13.8),5/8"(φ 17),3/4"(φ 20.5)

Note:it used for Cu/Al plate
