

VFX-9/13 Pneumatic Combination Tool for Polypropylene and Polyester Strapping

Easy to operate

The VFX-9/13 is the lightest tool in its class at 5 lbs. (2.3 kg). Its balanced weight and ergonomic design makes it easy to handle. With two-strap loading and simple one-handed operation, it is easy to use and remove from the strap after cycling.

Superior performance

With a fast cycle time and the ability to apply up to 180 lbs. (800 N) of tension, the VFX-9/13 is ideal for a wide range of applications.

Durable

All metal and alloy parts provide long-lasting, low-maintenance operation.
