

# AMT-58

Manual Combination Tool for Plastic Strapping

## Easy to operate

The AMT-58's tensioning and sealing functions require minimal effort, reducing operator fatigue. Additionally, seals load in magazines, eliminating reloading after each cycle.

## Reliable

The AMT-58 produces a crimp joint for maximum joint strength.

## Versatile

Ideal for lumber, brick or printing applications.

## Durable

All metal and alloy parts provide long-lasting, low-maintenance operation.
