Microline Dot Matrix Printer

ML184 Turbo +
9-Pin Dot Matrix Printer

The reliable and affordable printer for industrial and point of sale applications

As the entry level printer in our 9-pin dot matrix range, the ML184 Turbo is fast and robust, yet compact and light. A true demand document printer with bottom feed and short tear, its special size makes it ideal for customer service environments and industrial workstation applications.

Highlights:

- Compact 80 column dot matrix printer
- OKI Printing Solutions unique, high durability 9-pin print head
- Multi-part continuous forms handling (original + 3 copies)
- Up to 375 characters per second print speed
- Ideal for data logging, label printing and point of sale use
- Suited to harsh environments
- DC version also available for remote or mobile use

ML184 Turbo +

		ML184 Turbo+	ML184 Turbo+ (DC)
