

Item	Description(SEMI AUTO)	Description(FULL AUTO)	Remark
Tube material	1.Plastic Tube 2.Laminated Tube 3.Aluminum Tube 4.Multiple Tube 5.ultrasonic tube		<b>Customizable</b>
Machine Size	1430*800*1600mm	1850*950*1980mm	L*W*H
Machine Weight	280kg	850Kg	
Power	110/220/380V		<b>Customizable</b>
Filling Volume	1-75ml /75-250ml		
Filling Speed	20-35 Tubes per min	60-85 Tubes per min	
Filling Material	paste,adhesives, AB glue, epoxy glue, skin cream, hair dye, shoe polish, toothpaste etc.		
Application Field	pharmacy, cosmetic, food and chemical etc.		
Heating Sealing Type	Inside and outside heating	Swiss hot gun heating	
Control	Schneider Button+PLC	Siemens touch screen+PLC	
Additional Function	1. Date/Batch number printing 2. Material hopper has heating/Stirring 3. Air-Blow cutting after filling 4. Filling weight adjustment 5. Auto tube loading system 6.European update accessories design, GMP Standard
