

WDD 530 Intelligent Online Portable Industrial Handheld Inkjet Printer

Product Introduce :

We developed the latest light handheld inkjet coder, it adopt 4.3 inch touch screen display and HP printing head, can solvent normal inkjet coder printing head blocking problem, no need do printing head clean, that can save using cost; another printing lines reach to 8 lines;

Features :

1. Portable, net weight only 1.18kg
2. Easy operation, 4.3 inch touch screen
3. 360 degree Printing to frontwards, upwards, downwards
4. Long tandby time reach 20 hours
5. Edit printing content on machine, or External Interface for customer choice
6. Printing lines up to 8 lines
7. Large capacity battery can continuous working over 10 hours, pritning 200,000 characters.
8. No need clean printing head, no printing blocking, no need clean solvent, 50ml ink cartridge can print 80,000,000characte
9. The printer has a unique subsection function.Namely, one message can be printed by multiplerows, which solves the problem of the maximumprinting height of reaching 18mm for every row

Machine Aplication :

Alication material: Wood, carton box, stone, fiberboard, lightgage steel joist, pipe, metal, plastic, aluminium foil

Printing Content: Printing area code, date, batch number and other content products are mainly used in packaging. Widely used in food, beverage, pharmaceutical, chemical, cement and other industries. Can print on porous surfaces (such as ordinary cardboard boxes, templates).

Changeable Barcode: download the data base with USB disk ,then print the changeable barcode

Wireless transmission: can transport message of the code reader and message of weighting to the hand-held printer within the diameter of dozens of meters without wires.

Technical specification :

Model	Handheld inkjet printer
Display	4.3" Touch Screen
Character height	1mm-18mm
Print Area	1-8lines
Print Symbols	Logo,Pictures
Ink Cartridge	Solvent-based or oil-based environmentally friendly ink
Message Memory	huge amounts of information
Printable Images	Alphanumeric,logo,date/time,expiry date ,shift code,Lot-box code and barcode ,counter
Printing direction	360 degree
Ink Colors	black,red,blue,yellow,green
Message Storage Capacity	Store up to 1000 messages with SD card
Dimension (L/W/H)	135x 128x 200MM
Weight	1.18Kg-exclude cartridge and battery
