

3. CHARACTERISTICS AND PARAMETERS FOR MACHINE

Picture only for reference

Major characteristics

FH-130 semi-auto vertical round bottle labeling machine is widely used in cosmetic, food, daily chemical, medicament industries. Be suitable for round bottle.

Major Technical Parameters

- | | |
|----------------------|--------------------------------------|
| 1. Label size | Max. 40*12cm,Min. 3*1cm |
| 2. Round bottle size | Max. diameter 12cm,Min. diameter 2cm |
| 3. Label material | non-transparent label |
| 4. Voltage | AC220 50HZ 150W |
| 5. Machine size | 58*68*90cm |
| 6. Weight | 45kg |
