

BS7 Series Reader

BOSTEX®

Function

- Output Interface: RS485
- Supported cards: Mifare (13.56MHz)
- Reading speed < 0.1 seconds.
- Fully encapsulated design for maximum water and dust ingress protection.
- Integral dual color LED indication and sounder.
- Good read range and excellent reliability.
- Compatible with all standard access control systems.
- CE Certified.

Parameters

Item	BS7-R61-MR(C2)
Read card type	Mifare
Output format	RS485
Sensing Range	≥4.5cm
LED	Red/Green LED
Buzzer	1
Power Supply	9-30V, 50mA
Operation Environment	-10 ~ 50°C
Dimensions	117x46x25mm
Weight	200g
Housing	ABS flame-resistant
Certification	CE
